

## City of Liverpool SC 'Bonus Ball'

The **COLSC BONUS BALL** is scheduled to begin on Saturday 12th June 2010, running for (at least) 20 weeks. It costs just £1 per week to have a 'sporting chance' of **winning £25 every week**.

The Bonus Ball is very simple and is based upon the main National Lottery 'Lotto' draw. Each Saturday a Bonus Ball is drawn and the winner of our lottery is the person with that number.

**If your number is the National Lottery Bonus Ball on Saturday you win £25.00 – it's as simple as that!**

**And you could win week after week after week!**

The COLSC Bonus Ball will run initially for a period of 20 weeks and to enter for the full 20 weeks costs only £20.00 - less than the prize from just one win and you could win many times!

To enter simply complete the form and attach a cheque for £20.00 and hand to **Karen Lally** or **Tracy Paris – Davies**, or post to the address below (if returning by post please advise also via the email addresses below).

All numbers will allocated by by a random draw on 7 June 2010; all applications must be received by 4 June 2010. In the unlikely event of a winning number being unassigned that weeks prize will be rolled over to the following week.

Then simply keep track of the result each Saturday with the National 'Lotto' Lottery.

All the proceeds from this Bonus Ball will go toward the cost of running the Majorca swim camp event this October 2010. The costs of hosting such a swim camp to Majorca are considerable for the club and parents. For these camps to continue to run, which directly benefits younger swimmers in years to come we rely on lots of fundraising activities.
